## **This is Homelands Primary School Publication Scheme on information available under the Freedom of Information Act 2000**

*The governing body is responsible for maintenance of this scheme.*

### **1. Introduction: what a publication scheme is and why it has been developed**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

### **2. Aims and Objectives**

- To nurture in children a love and enthusiasm for learning both within and beyond the National Curriculum.
- To encourage children to become confident and independent learners.
- To develop a supportive environment in which staff and children are valued.
- To help children develop care and respect for each other, appreciating the feelings, views and capabilities of others.
- To work in close partnership with parents, enabling them to support their children's learning.
- To foster links with our local community and to be a school of which that community can be proud.
- To encourage children to appreciate and protect their local environment and to extend this appreciation to the wider world and its people.

and this publication scheme is a means of showing how we are pursuing these aims.

### **3. Categories of information published**

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

*School Prospectus* – information published in the school prospectus.

*Governors' Documents* – information published in governing body documents.

*Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum.

*School Policies and other information related to the school* - information about policies that relate to the school in general.

### **4. How to request information**

If you require a paper version of any of the documents within the scheme, please contact the school by telephone or letter. Contact details are set out below.

Tel: 01803 328264

Contact Address: Homelands Primary School, Westhill Road, Torquay, TQ1 4NT.

To help us process your request quickly, please clearly mark any correspondence **"PUBLICATION SCHEME REQUEST"** (in CAPITALS please)

If the information you're looking for isn't available via the scheme you can still contact the school to ask if we have it.

### **5. Paying for information**

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
