

Growing and Changing

Year : F2 Term: Autumn

Personal Social and Emotional Development.

We will be learning how to share toys and use our words to solve problems. We will be asking what things do we share? Do people share with us?

We will be learning to listen to our friends ideas and learn that one person speaks at a time. We will ask what can we do to look after our friends?

We will be learning to look after our own and our schools' belongings.

These elements underlie our British Values

Physical Development.

We will learn how to change in to P.E clothes and waterproofs with increasing independence and speed!

We will be learning how to hold a pencil correctly and form letters in our name. We will mark our own work and form letters to write down what we want to say.

Communication and Language.

We will develop our listening and attention skills following short instructions linked to the routines of the school day.

As we share ideas we will listen to each other and respond with our own ideas.

We will retell the story of the Little Red Hen and create our own version.

Literacy.

We will learn that print goes from left to right when read and retell stories from the pictures in our own guided reading books. We will make marks and form letters to give meaning to what we have written. We will write our own instructions for the bread that we are going to make

Mathematics.

We will count as part of our every day life in F2. We will use maths to solve every day problems. How many apples do we need for snack? We will recognise numbers in our home and school environment. Eg. Door numbers, car number

Understanding the world.

We will learn what happens in different areas of school. We will learn about Harvest. We will be learning where different food comes from. We will be visiting a local café and bakery and making our own bread.

Expressive art and design.

We will be exploring the resources in F2 to create our own models developing techniques to join and decorate. We will be colour investigators exploring what happens when we mix colours. We will learn new songs and explore instruments and how
