

Aspiring and Achieving

Dear Parents

Recycled Uniform

As you may be aware in the past, we have held a table top sale and offered parents and carers the opportunity to purchase any required items of uniform for a very small nominal donation of between £1 and £2.

The philosophy behind this service is two-fold:

- To ensure the school uniform policy is adhered to by all children
- To help parents with the cost of school uniform

We have a selection of jumpers, skirts, pinafores, trousers, PE shorts and plimsolls, there are also summer dresses and shorts and a few winter coats. These are in various sizes and styles.

If you would like to purchase any items please fill in the form below and when the item becomes available we will be in touch.
